Wegner CPAs Raises Funds for Local Nonprofit

Madison, WI – “Hops for Heartland” was the beverage stand slogan for Wegner CPAs at this year’s Taste of Madison, the renowned foodie event showcasing over 90 restaurants and drawing in over 250,000 people over Labor Day weekend each year. Wegner CPAs’ staff members and friends volunteered at a beverage stand on Saturday, August 30 raising over $1,300 for local nonprofit, Heartland Farm Sanctuary. Heartland Farm Sanctuary is dedicated to helping homeless farm animals in Wisconsin, and building connections between animals and vulnerable youth.

Picking a nonprofit beneficiary was no easy task as Wegner CPAs works with over 700 nonprofit organizations and there are many more in our community. The firm decided to run a “Share Your Story” competition asking nonprofits to tell us about their mission and what they would do with a little extra cash. There were 38 deserving organizations that entered the competition. Heartland Farm Sanctuary was chosen as the lucky winner – receiving over one third of the votes from Wegner CPAs’ staff!

On Thursday, October 23, a group of volunteers surprised the Operations Director, Alecia Torres with the news and a big check during a visit to the farm. Alecia and the staff at Heartland Farm Sanctuary are very grateful for our support. They will use the funds raised to help expand the fencing of the farm’s pig pasture.

For more information on Heartland Farm Sanctuary and how you can help, please visit www.heartlandfarmsanctuary.org. The organization’s next fundraiser is their 4th Annual Thanksgiving for the Turkeys on Saturday, November 22 at the farm. Help them make this Thanksgiving a happy holiday for all!
